## DoseBadge Noise Dosemeter

The doseBadge system is the perfect solution for the measurement of a worker's exposure to noise. The doseBadge is small and light, with no cable or controls (all control is via the infra-red link). There is also a great cost saving where multiple dosimeters are required.

### Features:

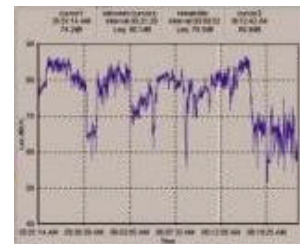

- \* Standards: IEC 61252 and ANSI S1.25
- \* No wires to catch in machinery or suffer costly damage
- \* No controls or display to be damaged or interfered with
- \* Measures LAeq and LEP,d
- \* Stores the LAeq every minute giving a graph of level over time
- \* Very strong and lightweight alloy case
- \* Powered by a rechargeable battery
- \* Software and download cable included
